

The state of play for entrepreneurs...

The pandemic has had a profound
impact on small businesses

Confidence levels are linked with
access to funding and support

Entrepreneurs are optimistic
about their future growth plans

Innovation: The bridge between old and new...

For entrepreneurs:

Being innovative is a
precondition of being resilient

The Pandemic presents
enormous opportunities

This is no idle time!

Connect, Collaborate Create...

Entrepreneurs that thrive utilise
communities & networks

Society's challenges demand cross-
disciplinary thinking

Industry-academia collaboration can
be powerful

**Don't let a crisis
go to waste**
